DIMITRIOS CHIOS

Thessaloniki, Greece
(+30) 6980916654 | chiosdimit@gmail.com | Linkedin | Github | Portfolio

PROFILE

Applied Informatics graduate with strong foundations in software development and hands-on experience from personal projects in full-stack web development and C++ game programming. Practical skills include JavaScript, React, Node.js, and SQL, supported by continuous self-driven learning and technical coursework. Fulfilled all mandatory military service obligations.

EDUCATION

UNIVERSITY OF MACEDONIA — **THESSALONIKI, GREECE**
BSc in Applied Informatics — SEPTEMBER 2019–JULY 2024
Grade: 7.3/10

PROFESSIONAL EXPERIENCE

Freelance — **THESSALONIKI, GREECE**
IT Tutor — MARCH 2023–JUNE 2023

- Instructed high school students in Microsoft Word proficiency for promotional exams.
- Adapted technical explanations to help students master Word features under time constraints.

PROJECTS

Qloset | A modern E-Commerce website | Demo — DECEMBER 2025

- Built a full-stack e-commerce application with product variants (color/size), real-time stock management, and order processing.
- Designed a modern, responsive UI using React and Tailwind CSS, including dynamic product pages.
- Developed backend APIs with Node.js, Express, and MongoDB, handling products, variants, inventory updates, and orders with transactional safety.

PostIt | MicroBlog |Demo — OCTOBER 2024

- Built a responsive micro-blog using Next.js 15 and TypeScript.
- Managed server state and caching with React Query.
- Designed a modern UI using Tailwind CSS v4.
- Implemented secure Google OAuth login via NextAuth.

SKILLS

Programming Languages: Java, C/C++, PHP, SQL, JavaScript, TypeScript, CSS
Frameworks and Libraries: React.js, Node.js, Express, jQuery, Tailwind, Bootstrap
Databases: MySQL, PostgreSQL, MongoDB

CERTIFICATIONS

- **Project Future Finalist | Generative AI Technologies and Tools in Practice,** — DECEMBER 2025
  Code.hub, ReGeneration, Piraeus Bank
- **Certificate of Competency in English (ECCE) (Level: B2),** — MAY 2015
  University of Michigan

COURSES

- **Complete Web Development Bootcamp,** *Udemy* — FEBRUARY 2024
- **Unreal Engine 5 C++: Learn C++ & Make Video Games,** *Udemy* — AUGUST 2023

LANGUAGES

Greek (Native), **English** (Advanced)
